## GREEK LANGUAGE SCHOOL SCHEDULE 2020-2021

Course level assignment is based upon Greek language ability rather than grade level in school. All current students were notified by the instructor of appropriate course level for the 2020-2021 school year. New students should contact Erietta Fotiadis for evaluation to determine appropriate course level. In cases where a determination cannot be made until the start of the school year, a registration form should still be submitted by the deadline indication the pending evaluation in place of a course level.

For questions regarding the program, contact Erietta Fotiadis at 484-716-6059 or [eriettafotiadis@gmail.com](mailto:eriettafotiadis@gmail.com).

Please note: There is a minimum enrollment requirement of 3 registered students per class.
